

Team building and group activities

PEPPERS

BLUE ON BLUE RESORT
MAGNETIC ISLAND

Whether it's active water sports or tropical bowling, let the team arrange your next group activity.

Sea kayaking

Experience team building at sea in two-person kayaks. Paddle in harmony with each other, your group and nature, with Magnetic Island Sea Kayaks. Tour the island in a fully accredited eco-tour. Group prices are available for 2 and 3 hour sessions with a fully qualified guide. Maximum of 12 participants per session. Multiple sessions are available for larger groups.

Jet skiing with the turtles

Suit up and take to the seas at speed with Adrenalin Jet Ski Tours. Circumnavigate the island or cruise at leisure. Maximum of 2 people per jet ski. Wetsuits, goggles and life jackets are supplied. There are regular sightings of sea turtles, dolphins, sea birds and whales (July - September).

Golf at the Country Club

Tee off at the Country Club just over the hill from the resort in Picnic Bay. Clubs and golf buggies are for hire and a fully licensed club

house is available for refreshments afterwards. Hole No. 5 is one of Greg Norman's favourites.

Tropical lawn bowls

Situated on the Geoffrey Bay beachfront, the bowls club is fully licensed and provides all the equipment for a morning, afternoon or evening of lawn bowls. Enjoy complimentary instruction to get things underway and then build team spirit with a friendly competition. The sea breeze keeps players cool and the entire green is covered with a shade cloth.

Bootcamp challenge

Make the most of the beautiful island landscape on a half-day bootcamp with Deb and Daina. Meet on the beach at sunrise for team activities and high intensity interval training and finish with the Forts Walk experience. See koalas in their native eucalypt forest along a 1 hour (2.8km) return walk to WWII gun emplacements with 360 degree views over the island and Cleveland

Bay.

Tai Chi on the beach

Enjoy a serene start to the day with Peter Duckworth, Tai Chi instructor. Although Tai Chi is a martial art, the focus lies in repairing and redressing aches and pains rather than attacking your opponent. This is a 1 hour session including a warm up. Delegates are asked to wear light smooth shoes and loose clothing. Return to Peppers Blue on Blue Resort for a sensational full cooked buffet breakfast.

Gourmet bush tucker breakfast

Sample a gourmet bush tucker breakfast and hold a lizard, snake or koala at the Bungalow Bay Koala Village. Menu items include lamb loin encrusted with outback spices, reef fish with lemon myrtle, bacon and eggs and pancakes with native honeycomb. A charter bus can be arranged by your Event Coordinator.
